4 February 2019

To Whom It May Concern,

The Faculty of Science and Technology, Thammasat University, Thailand offers 5 scholarships for the summer internship program at the Faculty of Science and Technology, Thammasat University in 2019 (1st Round). The additional information and application form are attached. This would be to strengthen the academic and research collaboration between us. I, also, believe that this opportunity will help to form another additional linkage between our students and researchers which would benefit us all in the future. Please help us inform your faculty members, students, and those who may be interested in this scholarship. For more information about the Faculty of Science and Technology, please visit www.sci.tu.ac.th.

Thank you very much for your kind cooperation.

Yours Sincerely,

A handwritten signature in blue ink that reads 'Dusit Athinuwat'.

(Asst. Prof. Dusit Athinuwat)

Associate Dean for finance and Administration
Acting Dean of the Faculty of Science and Technology
Thammasat University, Thailand

Important Instructions (Applicants MUST Read)

1. Each scholarship recipient will be financially supported for 40,000 THB at maximum. This financial support can be spent on, for example, round-trip airfare and accommodation. The university dormitory costs approximately 2,000 THB/person/month. **Living expense cannot be reimbursed.**
2. Students will have to pay for their round-trip airfare prior to their arrival in Thailand. Students should keep the original electronic tickets, ticket receipt, and boarding passes for the reimbursement of their airfare. Students will have to keep the original receipts for all of other expenses. Without receipts,
3. Once the application has been reviewed and all the required documentation has been received, the internship program committee will review and make a decision. The applicants will be notified as soon as possible. All decisions from the committee are final.

I certified that the information given on this form is true, complete and accurate and I have read the “Important Instructions.”
